THE NIAGARA MOVEMENT

The undersigned fifty-nine gentlemen representing 18 states have joined in a call for a conference to meet in the vicinity of Buffalo, New York, During the week beginning JULY 9, 1905.

Railway rates at one fare plus $1 for the round trip, good until July 25, can be obtained at that time on account of the Elks convention. The conference hopes to combine business with healthful recreation and social intercourse, and the cost of board and entertainment will be kept low. No ladies are invited.

The conference expects to sit at least three and not more than five days and to inaugurate a permanent national forward movement.

Letters detailing the business and methods of the conference will follow this circular. Please answer such letters promptly.

P. S.—Can you send the secretary:
(a) The names of desirable conferees in states not represented above?
(b) The names of any reliable persons in Buffalo, N. Y.?
