Battle Hymn of the Republic

By Julia Ward Howe

1. Mine eyes have seen the glory of the coming of the Lord.
   He is trampling out the vintage where the grapes of wrath are stored;
   He hath loosed the fateful lightning of His terrible sword;
   His truth is marching on.

2. I have seen Him in the watch-fires of a hundred circling camps;
   They have builded Him an altar in the evening dews and damps;
   I can read His righteous sentence by the dim and fanning flames;
   His Day is marching on.

5. In the beauty of the lilies Christ was born across the sea,
   With a glory in His bosom that transfixed the age;
   As he died to make men holy, let us die to make men free,
   While God is marching on.
