Women and the Niagara Movement.

Circular No.3.

The chief activities of the Niagara Movement for 1908-09 will be on

Civil and Political Rights,

Crisis,

Trade and Industry,

Health,

Education,

The Press,

The Pan African League,

Women's Movement,

Students' Movement,

Science and Art.

It is proposed that circles of women associated with the Niagara Movement be formed to aid such of these activities as they are especially interested in, by gathering information, raising funds, solicitation, letter-writing, etc.

Women interested in any line of work should write the women's secretary, Mrs. Constance W. Morgan, 38 Court St., Boston, Mass.

Under "Women's Movement" the chief work will be that of organizing women.

Under "Science and Art" a number of reading circles will be organized.
