The undersigned have counted the recent Niagara Movement ballots so as to ascertain the wishes of

(1) The full members as printed on the General Secretary's list.

(2) The full and Associate Members on the same list.

(3) The original 31 members voted in, in the Fall of 1905 so far as they have signified their willingness to join up to the time of adjournment of the third annual meeting, including also the Charter Members.

The result in each of these cases has shown the election of 35 new members and the original members have confirmed the membership of 25 persons already acting as members. The Massachusetts Branch Niagara Movement, therefore, consists at present of the ninety-one following members:

ASSOCIATE MEMBERS.

The original ballots together with the details of the counting may be seen, if any member so desires, at the office of the State Secretary on Thursday and Friday, September 26th and 27th, between the hours of 10 a.m. and 5 p.m. on the distinct understanding that the results are not for publication in any form except as herein given.

As soon as the above names have been confirmed by the Executive Committee certificates for membership will be forwarded to such as have not already received them.

(Signed) W. E. B. DuBois,
General Secretary
