Dear Colleagues:

The chief items of interest in the work of the Niagara Movement this year have been as follows:

1. The meeting of the Executive Committee at Cleveland, Ohio. The Committee approved the action of the General Secretary in Massachusetts, and confirmed the full list of members in that state. Amendments to the constitution were also discussed. A report of this meeting will be in your hands soon.

2. Another Jim-Crow car case, involving the Pullman service in the South, has been brought in Minnesota by the Legal Department under Secretary McGhee.

3. Public Meetings have been held in Washington, D. C., Baltimore, Md., New York, N. Y., Minneapolis, Minn., Cleveland, Ohio.

4. Letters are being sent to colored voters in the South urging a staunch anti-Taft campaign.

5. All legitimate influence was brought to bear on the late council of Negro Bishops, with excellent results.

6. In the death of the late Mrs. Ida D. Bailey, the Niagara Movement sustains irreparable loss. Active to the last, Mrs. Bailey on January 1, 1908, after being offered the Secretaryship for Women in the South wrote, "I have decided to undertake the work." Despite the vision of death already in her eyes she said, "I have many plans, and if I can get strong they may work out for good." Mrs. Carrie Clifford will take Mrs. Bailey's place as Secretary for Women in the South, and will carry on the women's work jointly with Mrs. Morgan.

7. The Massachusetts women have made a verbatim copy of John Brown's diary, and Secretary Mitchell of Pennsylvania is pushing the work of the John Brown Memorial Committee.

8. Secretary Hawkins has started a movement for scholarships in connection with his Students' Department.

9. We welcome to our ranks Bishop Alexander Walters, who joined as an associate member of the District of Columbia branch.

10. The Treasurer, Dr. J. Milton Waldron, 1334 V St., N. W., Washington, D. C., wants your dues. We need the money. Please remit immediately. Please write me.

Yours for Freedom,

General Secretary.

Atlanta, Ga., March 14, 1908.
