Dear Mary:

Re: Charge TB06-1335

I wish to report, and seek redress, under Title VII, Section 704 (a), an act of discrimination taken against me by the Head of the Department of Athletics. The action taken by the Head was to recommend (renew) my contract on a terminal 18 month basis.

This action was taken by Frank P. McInerney because I have opposed, charged, and assisted in proceedings against unlawful employment practices of women within the Department of Athletics.

Attached to this letter are documents from Frank P. McInerney, Head, Department of Athletics, and David C. Bischoff, Dean, School of Physical Education, and my response.

I seek your immediate advice and help.

Sincerely,

Vivian M. Barfield
