The Librarian of Tuskegee Institute,
Tuskegee, Alabama.

Dear Sir:

I have in the publisher's hands a history of the Negro in Reconstruction. I am not satisfied with the material which I have on Alabama. I know, of course, Fleming's work, but this is one-sided and incomplete so far as the Negro is concerned. Have you anything at Tuskegee concerning the Alabama Negro at this period? Have you anything about Congressman Rapier?

I shall be glad if you can give me any advice and point to any publications.

Very sincerely yours,
