Dear Boys,

As you can see by the enclosed brochure you will be invaded by a small group the evening of May 1st. It was originally scheduled for April 30th but since the Folies are closed the 1st we are changing around.

There are only nine in this party and they will be conducted by Mr. and Mrs. Andrew FULLER. I have asked them to come early, about 9:00 a.m. in order to assure themselves of seats.

Andy will contact you with regards to making a small tape to use on the radio station here. It could be a very good plug for your business and also for your records.

They will be in residence at the Hotel de Paris from evening on April 29 to departure on May 2nd.

Kurt is back in Switzerland and his address is 9 Giessereiweg, Berne. He would love to hear from you.

Hope to see you some time soon.

All the bests, as ever

E. Thayer Fogg
