Gordon Heath's Bar  
6 Rue de l'Abbaye  
Paris, France

Dear Mr. Heath:

You may recall that Mr. Justin Locke, photographer of the National Geographic Magazine, took the enclosed picture in your bar last year. We plan to publish this picture with an article on Paris in an early issue of the Magazine.

Mr. Locke is away on another assignment, so I would appreciate your answering a couple of questions that he might have answers to were he available:

- 1) The man with the moustache playing the guitar is Gordon Heath?
- 2) Were you born in the United States?
- 3) Are you an American citizen or a French citizen?

We plan to use the enclosed caption with this picture. This will explain the reason for these questions that may appear rather personal.

We would appreciate very much your replying by cable collect at your earliest convenience, if you have any corrections, since this material must shortly be released to the printer.

Thank you very much for any help you may be able to give.

Sincerely yours,

*Andrew H. Brown*
