Dear Mr. Heath:

Thank you very much for your letter of April 13 in response to my questions. I am sorry to say that it is too late to include the name of your partner in the picture caption; printing had begun on the article before your letter arrived.

Please let us know the amount of extra expense you incurred to send the cable answer, and we shall reimburse you. We had thought that our prepayment was sufficient.

Thank you for helping us out with this information.

Sincerely yours,
